Weekly reflections

Weekly reflection will open at the end of the week – there is one week to enter the reflection. Entry will close after 1 week. Keep up to date – failure to be up to date may be cause to come back to BHS.

Each week – enter hours

For reflection – take some time to enter your experience. Use details and be thoughtful with your response.

Week #1 – Describe your work experience this week. What was the best aspect of your week 1?

Week #2 – Describe your work experience this week. What was the hardest part of the week?

Week #3 - Describe your work experience this week. After three weeks of work, do you think you will continue to pursue a career in this field?

Week #4 - Describe your work experience this week. Overall, what lessons did you learn during your internship?
